How to use

Sweep CALMING CLEANSING PAD over face skin until all traces of makeup are removed.

When to use

- While traveling, instead of carrying both cotton pads and cleansing water, only Calming Cleansing Pads in your pouch is enough. This easy & simple one-touch cap enables hygienic storage of the pads during your journey.
- Before eyelash extension to remove dirt and oil from natural lashes
- For daily easy makeup removing

If you wear eyelash extension and do your make-up every day, you should pay attention on HOW to remove the make up without damaging your extended eyelashes. Regular 2- phase removers contain oil, that dissolves glue and kills your extension.

The solution is EXCELLENT/NEICHA LIP & EYE MAKE UP REMOVER!

This remover is perfect for removing dirt and any makeup from your lips and eyes. It has two separated ultra-mild formulas. After shaking they get combined into a very light and soft essence that enables to remove any type of makeup without oily feeling and leave your skin bright and silky.

EXCELLENT/NEICHA LIP & EYE MAKE UP REMOVER (Content: 120ml)

These products are ideal for removal of makeup prior to eyelash extensions application as well. EXCELLENT/NEICHA LIP & EYE MAKE UP REMOVER are pump types which helps use it economically along with embossing cotton pads or applicators for easy cleansing. Advantages of EXCELLENT/NEICHA LIP & EYE MAKE UP REMOVER.

- Oil free
- No harm to the eyelash extensions
- Does not sting the eyes
- With a lovely lavender fragrance
- Convenient pump type bottle
